

## CUSH-A-CLIP®

A Simple, Economical,  
Lightweight Hanger for  
Supporting Tubing

- Manufactured from polyamide alloy
- U.L. Rated
- Sizes from  $\frac{3}{8}$ " to  $1\frac{1}{8}$ "
- One piece design makes installation a snap.
- No nuts to tighten, no parts to lose.
- Temperatures from -40°F to 275°F  
(-450°C to 135°C)
- Secure but non-tightening design allows for expansion, greatly reducing joint fractures
